define the lightning; or category of fasters than the class to which this port which this port. Welsh girl belonged. The fanatical and mal, fabled to seek its solves to the bitter end; but it has not been il that made it an ob- the practice of tricksters to courb serious latter, view of the case is danger. Nor, indeed, had the most rigid gthened by the dismissal asceticism, undertaken with such religious gthened by the dismissal asceticism, undertaken with such rengions in, the great edile demotives as governed the conduct of St. Simon motives as governed the conduct of St. Simon slans, whose city he has stylites. James the Hermit, St. Epiphanius. St. Arcenius, and Kentigern, otherwise St. Mungo, led in most instances to premature death. On the contrary, if chronicles are to be ign as if relying on the least. ign, as if relying on the trusted, the laugevity of those boly men we have named exceeded that of Cornaro, the V-notian, whose daily dist of half a hard-boiled egy was luxurious compared with theirs. The nuary 4th, (Afternoon). impostors who have simply trade on popular arket is very firm :--

endulity have generally been found out in time to save them from fatal effects. Aun Moore, the fasting woman of Tutbury, contrived to escape detection for twenty months, during H, January, Bill (Noon). all which time she pretended to go without food; but she was at last found out by Dr. Henderson, an astuto physician, in the early he Prefect of the Seine, pours of the present century. Bernard Kava-Chera has been appointed nach; who gave out that for two years he bad not tasted meat or drink, was watched one day buying habi and beet; and his imposture with and Returns for the week yet more conclusively proved when, being now the following results :- imprisoned as a rogue and chest, in the year 1841, he took very kindly to the prison diet, and only complained that there was not enough

£10,125,000 POISONOUS GAS IN WELLS. on, January 7th, (Noon). A sad accident that has lately happened at Market is quiet. Windlesham serves to illustrate how much ignorance prevails with regard to the danger if deacen ling into wells, and with regard when to the me me by which that danger may be discovered and obviated. It seems that a poor 9,000 man who was engaged in sinking a well, went to his work in the morning, was lowered down byhis wife and another labourer, and on reaching a certain depth because uncollasions, and fell into the water below. A Mr. Charles M. 1800, 2 nursersmin, heard the screams of the wife, and instantly descended in the hope of being able to rescue the libourer, but in reality, of source, only to share his fate. A second Mr. Mason, a brother of the first, then descended, but first had a rope in whe fast to him. He also because

auconscious, but was handed up by the rope. and recovered. The earlier victims were raised £35 after a time; but in both of them life was extinet. Now, it cannot be too widely known that such calamities as these, which cannot be called France ... accidents, are canved by the preschee of carbonic soid gas, the chake damp of the miner, which has pissed into the well from some rife in the strain out through, and which sinks by reason of its weight. No one should ever thing the admission of foreign descend into a well without first lowering has been dismissed, but re acid gas the candle goes out; and, when the No descent must be attempted until the gas has been pumped up, which is usually done by prating down a bundle of straw or a ling stuf-EGeneral Prim has formed at fed with straw, and builing it up again, until the air is changed, and the candle will burn. The necessity for this precessity for this precession is so generally

and that upon his retirement, inderstood by well-sinkers, that it is difficult to conjecture how it came to be neglected in hile Lord Napier of Magdala the present instance. It is still more remarkto fill an important post in the known that where a man had just falled be could not himself exist; and that he was going to certain death without the slightest prospect of heing olde to render any assistance. The ight sumparies are to go abroad, tions of regiments on foreign bauling up again of his brother probably Di facilitate the subsequent proceedings. It is, officer will be transferred to a pitiable, in these days of general knowledge, proceeding out, to read of the lives of brace and worthy men KDON, January 11th, (Nuon.) being uselessly ascrificed for want of informs. Legislative Chambers reassem. tion that should be within the reach of every untional school boy.-Laucel.

t, doctrines, and aspirations DREADFUL ACCIDENT AT SEA. The large Rechfort, Charles Chaputan, master, was at unchor on the night of the 16th ned it; and that when another chall gain a majority, they will December, at the lale of Grain Spit, of Sheerafer to them the hunder of public ness. There were on board besides the master, his sister, a middle-aged woman, and five childven, Charles, aged 13; Charles Albert, aged 10; Alice, aged 8; Alfred, uged 5; and James, aged 3 years. The mother of these children was drowned in August, Idde, and the sister bad since Tair, a Paris journalist, went to ticken charge of them. On the night in question, of the Prince to strongs for the the Prince, who shot at and the gain, which had been blowing all day, by eleven o'clock was blowing a hucricage. The barge pitched hows under, and the wates poured over the guowald, rushing down juto the cabin, in which the water rose to such a height as at Ledra?) Rollin ban been permitted length to put out the fire. Chapman ran forof General Bir De Lucy Evans is ward at great risk to year out more calde, and anoseeded in doing so, but this made matters no better. To use the poor fel-BONEAT, January 18th.

I Bombay has declared a half- low's own words, "there we were, me and m dividend, at the rate of five per my family : I and there was no chance, but did not like to tell my sister and children so. My eldest boy was reading prayers to them is the cabin, and had read eleven or twelve. I made up my mind to slip the cable and trust to inutes past I o'clock the afternoon chance, but the water came in so fast that the explosion took place at barge seeme! likely to founder, so I managed Manage. Curtis and to pet buit the bant and put my nister with Haugshow, by which childres into it, and pushed off. That was about functe workmen have lost their twelve o'clock; The boat soon got haif-full of in fact, blown to water, and I expected she would also go down. a brothers-in law, named liedges I believe three of my children were drowned in s, one a resident of Feltham and the | in the boat before there was my chance of shworth, and a man manual tenter help, the serves dashed over them so. We Lat Wellington-road, Haunalow, are were knocking about till past two o'clock, when s. They were all at work in a we were picked up by a fishing emack. I and use where the explosion took place. my stater were saved, but the laint awainped, and ction to property at the works is one- full my children were corried away before my The corning house is comparedly eyes. The smack that so opportunely sighted and the muchinery and other the best was the Embleme, of Colchester, entered in all directions. - One of the the master of which saw the boat stramped and blown to a considerable height, and | go down. The woman was then seen clinging poplar tree. Hedges bad sworked to the man's sairt, a boy to the woman's. The

life, and leaves a boy appeared to be exhausted, and immediately ly. Watters is also said to have been doorenal his bold and fell into the sea, and man. The shock was felt for miles was carried out of zight instantly. The man I we need hardly add that the scene and woman were dragged on board the muscka abortly after the explosion was almost dead, and Scarlett and his cross most Dr. Lundy, of Feltham homogely excited themselves to keep life in the mmeliately. Other surgeons of the importante authorers, by providing the sufferers hood came to offer their assistance with dry clothing and stimulants. It was seen I that Rutter fired for some little to be uselest, in the raging of the wind sea, to Several other men bry to save any of the poor children, so the beimore or less injured. As usual, Emblin was ste god for Sheerness, where the If the explosion cannot be acceptated safely arrived. Information of the disaster wis . is probable that the only parties who manustrately convered to Mr. Charles, Reel, on any light on it are the men who relieving officer, who at once harried to the pier, and caused Chapman and his sister to be removed arrors. Daring the sittings of the French Chambers, ----
